New Jersey Search and Rescue was founded in 1950. Their canines are trained in search and

human scent detection for both urban and wilderness environments. NJSAR received a AKC CAR SAR grant last year as well and used the funds to put on a human remains detection (HRD) seminar for 12 handlers and four auditors in October 2010. With this year's grant, they intend to present an advanced HRD seminar open to other NY, NJ and PA K9 SAR teams.

In addition to awarding SAR grants, the **AKC/CAR Canine Support and Relief Fund** is a permanent charitable fund which provides resources, support and other assistance to not-for-profit animal shelters and similar not-for-profit organizations providing care for domestic animals orphaned or displaced as a result of natural or civil disasters. The Fund has donated more than \$3 million since its inception in 2002 in the wake of the 9/11 tragedies. For more information about AKC CAR or the Fund, visit www.akccar.org.

President's Message

Jeffrey David Ball

In May, the club held Officer and Board member elections. It was an uncontested election. I would like to take a moment to especially thank a few outgoing Officers and Board Members before welcoming the new. Diane Ammerman, Elaine Barone, Lena Tamboer and Rose Ann Tucker will no longer be on the Board. That is a very special group and hard group to replace on the Board. They were all extremely hard workers and as the old saying goes, have forgotten more than I may ever know. The

great thing is that they are not going far and will always be there to support the Board as well as the club. Thank you all so much, you have made this club very special in so many ways. It would not be what it is today without all of your contributions. We, especially me, look forward to your continued support to the club.

Now I would like to welcome the new members of the Board, Sharon Fremer, Vice President, Tilly Grassa, Corresponding Secretary and Arlene Stover, Board Member. Those three have big shoes to fill, but I know they are looking forward to the challenge and will have lots of support from the past

Board Members and the membership.

We are in the process of filling all the

committee positions, so please contact me and let me know what you are interested in doing. There are plenty of great jobs available.

Our Match Show is this Saturday, June 4. Please come and assist, there are many ways you can help, even if it's for an hour.

Hopefully everyone sent in their achievements for the 2011 RKC Awards Dinner that is scheduled for Wednesday, June 8, 2011 at Rupperts in Riverdale, New Jersey. In addition to our membership awards, this year RKC along with AKC CAR will be awarding New Jersey Search and Rescue out of Mahwah a \$2,000 Grant for future Search and Rescue classes. There is no charge for members to attend the dinner and minimum charge for guest. If you have not already signed up to attend and wish to, it's not too late, please contact Lorraine Fennemore immediately. It's a great time. Reminder, we do not have another meeting until September after the June Awards Dinner.

The NJFDC will be holding a How to Lobby workshop on Tuesday, September 13, 2011. It will be an evening event with dinner to be held at the Rutgers Labor Education Building in New Brunswick. The goal is to hold their first Lobby Day in Trenton later this year. You do not need to attend the workshop to attend the lobby day, but it will make it much easier. If you are interested in receiving more information, or interested in attending, please let Sharon Fremer know. If you are interest in purchasing a NJFDC Breeders Guide, Sharon can assist you.

I hope to see you all at the upcoming events!

Someone asked about the Gaines Award recipients which was the fore-runner of the Ramapo Kennel Club Good Sportsmanship Award. AKC CHAIRMAN'S REPORT

Grand Champions Win Bronze, Silver, Gold and Platinum

To celebrate the one-year anniversary of the AKC Grand Champion title, we are pleased to present the new Grand Champion Achievement Levels of Bronze, Silver, Gold and Platinum to honor your dogs' accomplishments. Since the program's inception, more than 5,800 dogs have achieved the prestigious Grand Champion title and AKC clubs have received nearly 51,000 more Best of Breed entries as a result.

Many exhibitors have told us that they've enjoyed bringing their Champions out of retirement and would like to continue competing. Due to the excitement fanciers have expressed to us and the increased Conformation entries our clubs have received, we developed the Grand Champion Achievement Levels. Multiple achievement levels have worked well in other dog sports, with many Agility dogs earning numerous MACH titles, so we're happy to introduce something similar in the Conformation world.

Beginning May 11, 2011, concurrent with the implementation of the 2011-2012 AKC Point Schedule, AKC Grand Champions will now have the opportunity to become Bronze, Silver, Gold and Platinum Grand Champions. To obtain the Bronze level Grand Championship, a dog must achieve 100 Grand Championship points. Silver will be 200 and Gold 400 points earned while our ultimate Platinum level will require 800 Grand Championship points.

Upon reaching each level, AKC will mail special

recognition medallions and certificates to the owner of record. To keep up-to-date with the competition, a new Top 100 All-Breed Grand Champions list will be featured at www.akc.org/grandchampionship/.

In addition, the online GCH Breed Lists will be expanded from the top 25 to 100 dogs including Bronze, Silver, Gold and Platinum level designations. We hope exhibitors will enjoy and embrace the newest enhancements to the Grand Championship program.

Grand Championship judging will not change with the introduction of the Achievement Levels. All Champions of Record entered in the Best of Breed/Variety competition will be eligible to compete for "GCh" points at all-breed, group and specialty shows at no additional entry fee. Points are awarded, at the judge's discretion, to the following placements: Best of Breed/Variety, Best of Opposite Sex, Select Dog and Select Bitch. After dogs have completed the initial Grand Championship title, points will continue to accumulate and the dog will be recognized upon reaching 100, 200, 400 and 800 points.

We look forward to honoring our Platinum, Gold, Silver and Bronze Grand Champions and celebrating your dog's achievements as you strive to make breed and AKC history. For more information, visit: www.akc.org/grandchampionship or contact eventplans@akc.org.

*Sincerely,
Ron Menaker, Chairman*

At the April 2011 Board meeting, the Board of Directors approved a change to the recording fees for first entries in agility and rally events. This approved change to the recording fees for agility and rally events will bring the fees equal to those in all other AKC events.

The following amendments to the Companion Events regulations will be effective September 1, 2011.

Regulations for Agility Trials

Chapter 1, Section 27. Recording Fees. At every licensed or member club trial, a recording fee of \$3.50 shall be required

for the first entry of each dog, and \$3.00 for each additional entry of the same dog. (Each day is a separate trial.) Non-regular agility classes do not require a recording fee. When the recording fee is calculated, it does not include withdrawals.

Rally Regulations

Chapter 1, Section 5. Recording Fees. At every licensed or member club rally trial, a recording fee of \$3.50 shall be required for the first entry of each dog and a recording fee of \$3.00 shall be required for each additional entry of the same

dog. A marked catalog and all recording fees must be sent to AKC so as to reach its office within seven days after the close of the trial.

Clubs should ensure their trial records and software is updated to correctly calculate the amended recording fees for agility and rally entries.

*Sincerely,
Curt Curtis
Assistant Vice President
AKC Companion Events*
